

Around and round and round we go,
When we get home we have a zero.

Start at the top and down we run,
That's the way we make a one.

Around and back on a railroad track
Two, two, two

Around the tree and around the tree,
That's the way we make a three.

Down and across and down once more.
Now I've made the number four.

The back, the belly, the hat, it's alive!
Watch out! It's number five.

Down and around quick, quick, quick.
That's the way we make a six.

Across the sky and down from heaven,
That's the way we make a seven.

Make an 'S' and close the gate.
Now I've made the number eight

Make a loop and then a line,
That's the way we make a nine.
