

Date: 31.10.16

This half term we will be learning about the Indus Valley People and the Sumer Civilisation (not to be confused with the Suma Tribe!) as part of our 'Tiaras, Turrets and Tournaments' topic. Over this half term, we would like you to choose one of these topics to create your own fact file for.

In your fact file, you may choose to include pieces of writing, photos, drawings or even recipes. This is your chance to investigate the areas which interest you the most! For example, you may want to research Indus Valley buildings or focus on Sumer inventions. Or if you would rather, you could find out information about lots of different areas of Indus Valley or Sumer life.

You may choose to present your fact file as a PowerPoint presentation, a booklet or in your Home Learning books.

Please hand in by: Monday 12th December 2016

Our expectation is that this project will be an on-going task for you over the next 7 weeks. By the hand in date, we expect for you to have produced a substantial project.
