

Year 1 Autumn 2nd half term - Home Learning

- Each week choose one activity and bring it in on Wednesday at the latest.
- You can choose to do more than one activity if you want to!
- Each week make sure that the activity is from a different box, so that you cover a range of skills.
- Please make it clear to your teacher which task you are completing for your home learning each week.
- If your homework is difficult to record in your book, take a photo and stick this in your book.
- Your home learning book will be sent home again each **Friday**.
- You will be given new Home Learning after Christmas.

Maths

Task 1

Make a plan of your day to show what time you do different things on a 'normal' day. Draw the clock faces to show the times. E.g. What time do you wake up? When do you get to school? You can add pictures if you would like to!

Task 2

Do you know your odd and even numbers? Make a poster to help the new Reception children learn their odd and even numbers. Remember to make your poster bright, colourful and easy to read.

Reading

Task 5 Diwali is coming up. Can you find out what it is all about? Who celebrates it? Why? What do they do? When is it?

Task 6 We have been learning about fairy tales. Listen to and read some fairy tales at home and write a book review, or complete some writing from a character's point of view!

Task 7

Can you find and read two different versions of the Christmas story? Draw a picture of your favourite person in the story and explain why they are your favourite.

Art and Design

Task 3 Create a colourful firework picture - you could use glitter or sparkly paint if you wanted to!

Task 4 Design and create your own tiara, crown or shield. What materials will you use? Which material will be the best for a crown?

Writing

Task 8 Have a go at writing a story including as many of our 'sparkly' writing features as you can, e.g. 'wow' words (adjectives), sentence openers and connectives.

Task 9 Write a recipe for a good friend. Think about the ingredients you need, e.g. patience, kindness and thoughtfulness. Be as imaginative as you can with your method, e.g. a bowlful of kindness mixed with a tablespoon of loyalty.

DO NOT FORGET...

- You should try to read your school reading book at least four times per week and record this in your diary to earn a reading star.
- Each week you will have a Big Maths task to complete. If you complete four maths activities per week and record this in your diary, you will earn a 'Marvellous Maths' stamp.
- Log into and play Nessy and Easimaths on a tablet, computer or laptop (login details are at the front of reading diaries).
