Sainsbury's Vouchers

Thank you to everyone who collected Sainsbury's vouchers. With the 28,000 vouchers we have been able to order bats, balls, playground games, dance equipment and cookery utensils.

Mobile Library Bus – Next Visit Thursday 5th October at 3pm – USE IT OR LOSE IT!

As part of the school improvement plan this half term we will be focusing on creative learning. Your child will be doing a great deal of creative activities within school which may include painting and so it would be advisable to provide your child with an old shirt to protect their school uniforms. There is a display in the new office/reception area which informs you about the School Improvement Plan as well as the display outside the school hall highlighting the work being undertaken. You will also be receiving a home learning challenge card which gives you some great creative ideas that you can do at home, such as baking a cake or making a potion! There will be a prize draw each Friday for children who evidence some of their challenges (post in the creative learning box outside the hall door) and at the end of the focus children who complete 10 or more challenges will enter a larger prize draw.

So go ahead and get creative!
