My name is Nicki Price and I have just started Queen's Hill Primary School as your new Parent Support Adviser (PSA).

Before becoming a PSA I was a Paediatric Nurse and a Health Visitor but decided to broaden my experiences by working within education and family support. I have a particular interest in SEN and in my spare time run a local family support group.

I am a Mum myself so have experience of both the joys and challenges that family life can bring. Being a parent isn't easy and at times things can be tough, my role is to help support you through these times and help you with issues, worries and concerns. I may not have all the answers, but together we can explore ways to move forward. Please feel free to contact me on 07825 130002 or [Nicki.price@benjaminfoundation.co.uk](mailto:Nicki.price@benjaminfoundation.co.uk). My usual working days are Monday, Tuesday and Friday. I can offer home or school based visits.
