

Year 6 Spring Term 2018

Eureka!

English: We will be studying a range of different texts this term including: The Arrival by Shaun Tan, The Spider and The Fly (classic poetry); The Day of Ahmed's Secret and Hurricane. We will explore a range of different genres such as: writing persuasive texts, journal writing, writing a descriptive setting, recounts and short story writing. We will also be using drama to deepen our understanding about character and motives within a text. As part of our Geography topic, we will focus upon natural disasters and the pupils will have the opportunity to develop research and note taking skills. They will also take part in a range of debates in Humanities and RE. To support your child with their learning, we would encourage you to practise writing, spelling and grammar @ BBC Revisewise, www.crickweb.co.uk, <http://resources.woodlands-junior.kent.sch.uk/interactive/literacy2.htm> or google Coxhoe Primary school for even more activities. Also please remember to complete home learning SATS revision tasks.

Maths

Recall times tables
up to 12x12

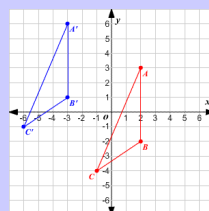

Solve problems involving perimeter
and area.

Calculate simple ratio and proportion.

Percent	Decimal	Fraction
1%	0.01	$\frac{1}{100}$
5%	0.05	$\frac{1}{20}$
10%	0.1	$\frac{1}{10}$
12½%	0.125	$\frac{1}{8}$
20%	0.2	$\frac{1}{5}$
25%	0.25	$\frac{1}{4}$
33⅓%	0.333...	$\frac{1}{3}$
50%	0.5	$\frac{1}{2}$

Compare fractions, decimals
and percentages. Solve prob-
lems involving the calculation of
percentages e.g. 15% of 360.

Read and plot coordinates.

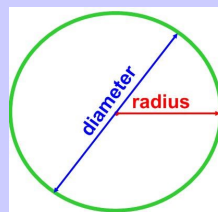

Use pie charts, line
graphs and bar charts.

Read scales and convert units
of measure (e.g. length,
weight and capacity).

Solve problems involving algebra.

Estimate and measure angles accurate-
ly. Find the value of missing angles.

Area of a circle
= $\pi \times \text{radius}^2$

Circumference of a
circle = $\pi \times \text{diameter}$

Remember that the
diameter = $2 \times \text{radius}$

Music

Pupils will continue with music les-
sons this term. They will be learning
the cello.

Languages

Pupils will continue to have weekly
French lessons throughout the year.

PSHE and RE: Pupils this term will
continue with their PATHS ses-
sions. In RE, we will be developing
our understanding about Christiani-
ty and The Easter story. We will
also explore festivals from differ-
ent religions throughout the term.

Topic

Wherever possible our topic writing will be interlinked with
our English lessons to help us to further develop our under-
standings of key topics that we are studying.
In computing we will revisit e-safety and will also be devel-
oping our animation skills. In Design and Technology, we will
be investigating, designing and making our
own vehicles. In Humanities, we will learn
about natural disasters and in science we
will learn about forces.

Thank you for your on-going support at home! Please continue to listen to your child read and carry out
maths activities with them **at least four times per week.**

For Home Learning this term, pupils will continue to complete a section from their SPAG
and Maths revision guides. We ask for all children to complete 3 pages from each book
weekly. All work must be handed in by Thursday and is sent home on a Friday.

P.E. will be on a Tuesday and Friday this term.
Please ensure that your child has a named kit
in school for these sessions.
