At Queen's Hill Primary School we really value being able to take children on educational visits as they make children's education experiences memorable and enriching. When we send you a letter advising you of a forthcoming trip, this will include a request for voluntary contribution from you for your child to go on the trip. This amount is based on the cost of transport and entrance fees as applicable. We do not build in any extra cost. In previous years the cost of trips has been subsidised, but as school budgets are getting tighter this is no longer possible and the governors are monitoring this situation. If we do not receive sufficient contributions to the cost of trips and visitors then we may need to cancel trips, as in the case of the proposed Year 6 visit to the Harry Potter Studio Tour this year.

Cancelling a trip is a last resort and if parents contribute wherever possible, children will continue to enjoy enhancing their learning and making memories.

Thank you for your support.

Farewell to Mr Roughsedge
