

Year 1 Summer Term 2018

Our Amazing Planet

English

Where possible, our English work will be linked to our topic. We will begin the term by learning to recount in our writing. We will link this to our visit to Easton Farm. Following this we will be reading and writing fantasy stories based on the Flower Fairies books. Talk4writing continues to be a big focus and we will be learning to write explanations using 'The Tree Giant' text.

Maths

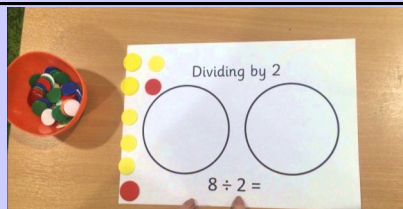

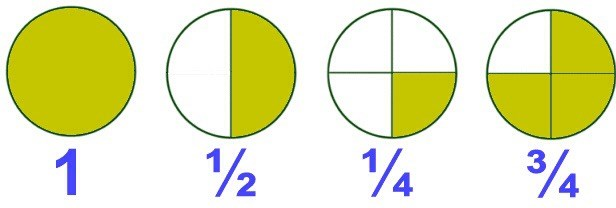

Time

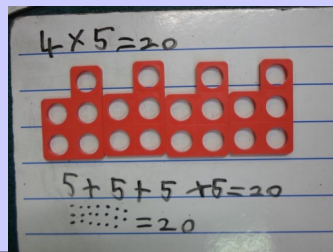

Money

Fractions

Division

Multiplication

Music

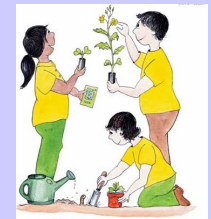

Pupils will be learning rhythm and singing skills to prepare them for learning the ukulele next year.

PSHE and RE

Pupils will have weekly PATHS sessions this term.

Topic—Farming and The Secret Garden

This term we will be focusing mostly on science, geography and art. Children will be learning about farming and the impact it has on our daily lives. We will be learning about growing plants and will even have our own sun-flower growing competition! In art, we will be looking at work by the artists Monet and Georgia O'Keeffe and creating our

own sculptures. Please save any bottle tops for us, if we get enough we hope to make a sculpture out of recycled materials.

Thank you for your on-going support at home! Please continue to listen to your child read and carry out maths activities with them **at least four times per week.**

Please also complete one Home Learning task each week. Home Learning must be in on a Wednesday and is returned on a Friday,

P.E. will be on a Tuesday—Please ensure that your child has a named kit in school for this session.

Library is on a Thursday.

Trips

Easton College Farm - Wed 18th and Thurs 19th April
Sheringham Park— Wed 11th July
