If you haven't returned your forms yet please do *ASAP*. Moving forward it is going to be very difficult for us to put on photo slideshows following events such as Whitwell if we have not had consent for everyone. If there are things you've not agreed to, but are unsure what they entail, please see your class teacher.

Queen's Hill Development Programme

Some parents have asked what QHDP is. This is the Queen's Hill Development Programme. Mrs White and Mrs Moore are our QHDP facilitators. They work with every teacher to improve their practice. It involves them filming the teacher delivering a lesson, which is then watched and discussed by the teacher and the facilitator. From this, they decide what area of Engagement, Feedback or Challenge the teacher needs to research and improve. The film is not shared with anyone else. It's really important that things like this can continue to help our teachers to be the best they can for your children. If you haven't given consent and would now like to, please ask the office to amend your form.
