		END OF TERM

Many thanks for your continued support of the school and its policies. We feel consistency is a critical thing to try and achieve for all of our students. Whilst we appreciate that some parents may be waiting to update their children's uniform following the summer holidays, it is important that children come to school dressed appropriately with sensible footwear. Lots of the children's learning will happen outside 'whatever the weather' - so please ensure they come with coats and school jumpers, sun hats etc. Further details about school uniform for each key stage can be found on the school website. There will also be a Bird's uniform sale at school on 21st June at 2.30pm which all parents are welcome to attend. We strongly encourage all families to adhere to the school uniform policy as it helps the children to feel proud about their school and means they don't have to worry about peer pressure when it comes to choosing what to clothes or footwear to put on.

Would you like to save over £350 per year?

Dependent upon your family circumstances, your son/daughter may be entitled to a free school meal every day or when they choose to participate in our Special Meals (Christmas lunch, Family lunch week etc). If this is the case, the local authority has funds allocated for this purpose. **Please contact the School Office this week and ask for Form FSM1.** Please also let us know if you or your partner is a member of the Armed Forces.

If you are entitled to a free school meal this can also help you to access other support such as nurture or counselling for your child
