

Term Dates 2017-18

Summer Mon 16th Apr to Tues 24th July
Half Term Mon 28th May to Fri 1st Jun
May Day Mon 7th May

Term Dates 2018-19

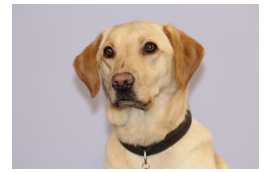

Autumn Thurs 6th Sept to Weds 19th Dec
Half Term Fri 19th Oct to Fri 26th Oct

Spring Mon 7th Jan to Fri 5th April
Half Term Mon 18th Feb to Fri 22nd Feb

Summer Tues 23rd Apr to Weds 24th July
Half Term Mon 27th May to Fri 31st May
May Day Mon 6th May
Inset Days- 4th & 5th Sept/19th Oct/3rd & 4th Jan

Happy Birthday Jasper & Molly!

Molly and Jasper will be 4 years old this month. As rescue dogs we thought it would be really lovely if, instead of giving Molly and Jasper presents, we donated treats and toys to a local dog sanctuary.

If you would like to contribute there will be a collection box in the main office area by the school dogs' display.

Thank you in advance

We are still working hard to improve maths teaching and learning. We have now had two years developing maths mastery at our school and in Years 1 and 2 children follow the Maths-No Problem! scheme. On a national level, lots of other schools are introducing maths mastery and Miss Kerrison is working with 8 other local schools to support them to develop this in their schools too. As part of maths mastery, children work together on the same topic for longer periods of time to practise their skills and think at a deeper, more challenging, level. In order to keep the class working together, we are making sure that there is speedy teacher intervention for children who may have gaps in their understanding or need a bit of extra time to develop their skills. This is a really positive thing and you could continue it at home! Why not ask your child or your child's teacher about what they are learning in class so that you can do some extra practise at home? For those parents with children in Years 1 and 2 there are some parent Maths-No Problem! videos on the maths page of our website ready to help you.
