

## Costessey Community Fayre

Please come along and support our school dancers at the Costessey Fayre, Longwater Lane on Monday 28<sup>th</sup> May. They will be performing just after lunch and it would be great to see you there! We will also be having a stall to raise money for our wonderful performing arts groups so if you have any empty jars (or ones full of goodies) Mrs White will gratefully receive them by Wednesday 23<sup>rd</sup> May. We will be practising a sunshine dance in the hope of fantastic weather!

## Community CPR

Thank you to all of the parents who attended our Community CPR training last week. Also a special thanks to Dave Cowie for delivering the training - courtesy of our links with OVA. The evening was well received and it was great to see some of our past pupils and KS2 children joining in with this vital training. Don't forget we do have a defibrillator in school which can be accessed any time the school is open. It is located in the school office. We hope to run this event again next year and it would be fantastic to see even more of you there- It could save a life 😊

## Community Litter Pick

Don't forget it is our community litter pick on Friday 11<sup>th</sup> May. We could earn some prizes for our school but more importantly, we want our community to look lovely too. Meet Mrs White and her team on the back playground at 3.10pm where you will be provided with litter picks, gloves and bin bags. Bring your friends, bring your family, bring your neighbour! We should finish around 4.15pm. All children must be accompanied by an adult - Let's get litter picking 😊
