

Year 2 Autumn Term 2018

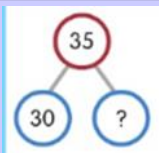

All Aboard the Language Ship!

## English

We will be flying to Arabia, reading 'One Thousand and One Nights' Arabian folk tales. Children will be writing their own versions, learning to use conjunctions, e.g. because, even though and adverbials of time, e.g. immediately, in the morning. We will also be building our vocabulary by focusing on poetry, looking at 'The Magic Carpet Ride', by Brian Moses. After half term we will be venturing to Japan and learning about the Pokémon craze! We will be writing instructions and information texts 'gotta catch them all'!

## Maths

Numbers to 100

*Addition and subtraction using methods we have taught children at school and shared with grown ups.*

*Length, mass and weight—practise by weighing ingredients and measuring how tall you are.*

*Multiplying and dividing by 2, 5 and 10, including knowing these times tables off by heart!*

## Word problems

Thank you for your on-going support at home! Please continue to listen to your child read and carry out maths activities with them **at least four times per week.**

Please also complete one Home Learning task each week. Home Learning must be in on a Wednesday and is returned on a Friday,

*P.E. will be on a Tuesday—Please ensure that your child has a named kit in school for this session.*

*Library is on a Tuesday.*

## Music

Pupils will be applying the skills they learned last year to help them play the ukulele. We will also be learning about Samba—drumming and singing based on Brazilian percussion.

## PSHE and RE

Pupils will have PATHS sessions this term. In RE we will be learning about Islam—prayer at home and Christianity—Christmas.

## Topic—Magic Carpet Ride

Our learning will focus on exploring the countries we are travelling to. We will be able to plot countries on a map and learn how they compare and contrast to the UK. Children will investigate Islamic art, thinking about design, shape and pattern. We will then be inspired to create and evaluate our own pieces. In computing, we will be learning about Augmented Reality games. We will have a go at designing some of our own based on the game 'Pokemon GO'.

## Trips

This term, we hope to visit the church on the run up to our Christmas celebration.
