

2015/2016 AGM Chairpersons Report

The friends are made up of Officers and committee members. The Officers are Chairperson, Secretary and Treasurer. In some cases vices are also appointed for these positions, all positions are voluntary. Every parent who has a child at the school is a member of the friends but only those appointed are on the committee, all members are welcome and encouraged to attend meetings and help out at events, whenever possible. Our aim is to raise money for additional activities and goods whilst providing a range of events for parents and children to enjoy. Of course all events need to be approved by the school.

Over the past 12 months we have done lots of varied events and my thanks goes out to all the parents and teachers that have helped. None of the events would be possible without you.

2015 saw lots of good events, the main event being the Summer Fete. Special Thank you to Mr Jones, Ms Taylor and Ms Chamberlain for going in the stocks, the most popular attraction of the event.

Unfortunately we had to cancel the Chip and Quiz night in October due to lack of interest, we are aware that being unable to bring alcohol into the school has been putting some people off attending.

Frozen Fridays were again very popular with both children and adults. The Easter competition gave the children a chance to show off their artistic talent and again we were again delighted to see all the entries. The chocolate, Father's day and Mother's day shops were all a success for the second year in a row, although all a lot of hard work the children love them. Our first family disco was well received with one child telling Mrs Shepherd it was 'the best night ever'.

Thanks to everyone's efforts we managed to purchase several items on the school's wish list, including but not limited to: Football Goals, Authors Chairs, Christmas Panto, Gazebo's and lots of board games.

I know this year has been extremely hard for all those active on the current committee trying to juggle parental, work and voluntary commitments and I have to say a huge thank you for keeping going. Hopefully 2016 will see lots of new faces and many more helpers on the friends committee.
