Dear Parents/Carers,

As Chair of Governors I am delighted to share with you our final OFSTED inspection report following our recent inspection on the 27th and 28th of June. The Governing body are pleased with the inspectors rating of Good (with Outstanding features). The report highlights many areas of excellence within our school including our Senior Leadership team led by Mrs Sheppard and our Early Years outcomes and provision.

I would like to take this opportunity to thank all parents and carers who filled in our online survey and spoke with inspectors during our inspection. As a school we value parent engagement and as discussed in our report we would like to continue to strengthen these relationships.

As our school continues to grow and fill our fabulous extended building we will continue to strive for the excellence that was seen by our inspectors. Although we acknowledge we have a few areas to improve on in our journey to outstanding we will continue to work on these through our school improvement plan. I'm sure you will join me in congratulating all the staff for their continued efforts at the school to share their passion for learning with our children.

Thank you for your continued support.

Stacy Hartshorn

Chair of Governors
