3. Barriers to future attainment (for pupils eligible for PP)	
<b>Barriers</b>	
The barriers and challenges disadvantaged children face at Queen's Hill Primary & Nursery School are complex and varied – there is no single difficulty faced by all but the following barriers are generalised to the Pupil Premium Group.	
<b>A.</b>	For some children, aspirations, self-belief and confidence – within the group of children eligible for pupil premium there is a need for them to believe that they can achieve and have high expectations of themselves. For some children this stems from low parental engagement and support, or a lack of understanding of how to enable their children to flourish academically. For many of our Pupil Premium there is a <b>Lack of regular reading, writing and maths opportunities out of school</b> . Many of our Pupil Premium families do not have the opportunity or the skills to access or practise reading, writing and number/maths activities regularly with their children, which affects the development of their skills. Many of our PP families do not necessarily have the inclination or the skills to read regularly with the children which affects the development of their reading skills.
<b>B.</b>	Mobility of the Pupil Premium children and the associated challenges and barriers that can be brought about when children have joined school at a mid-way point in their schooling – including transition, social and emotional support, curriculum coverage and engagement.

<b>C.</b>	Attendance. Children need to be in school in order to learn and reach their potential. In 2014-15 whole school attendance was 95.93% in comparison to Pupil Premium attendance of 93.02%. In 2015-16 whole school attendance was 96% in comparison to Pupil Premium attendance of 94.50%. in 2016-2017 whole school attendance was 96% in comparison to Pupil Premium attendance of 93.5%. Therefore, Pupil Premium children are less likely than their peers to come to school.	
<b>4. Desired outcomes</b> ( <i>Desired outcomes and how they will be measured</i> )		<b>Success criteria</b>
<b>A.</b>	Improved progress and attainment for Pupil Premium children, diminishing the difference with non-pupil premium.	Pupils eligible for PP make as much progress as 'other' pupils, across Key Stage 2 in maths, reading and writing. Measured in Y4 and 5 by teacher assessments and successful moderation practices established. Measured in Yr6 by SATs.
<b>B.</b>	Increased attendance rates for pupils eligible for PP.	Reduce the number of persistent absentees among pupils eligible for PP to 10% or below. Overall PP attendance improves from 94.50% to 96% in line with 'other' pupils.

<b>5. Planned expenditure</b>
