

Times Table Focus! Year 3/4

This half-term we will be developing children's number skills. Times Tables are so important in maths; if we can say our times tables then we can use them to help us solve problems!

There are many ways that you can help your child with developing their times tables at home. We hope you have fun trying out some of these ideas!

Find things to count around your home. Put these in groups of 10, then groups of 5. What do you notice?

What about if you use groups of 8, then groups of 4?

18	8	24
20	2	10
40	14	6

Use this grid to play times tables bingo.

Get a partner to test you on your multiples of 2, 3 and 4. Can you make up some grids of your own too?

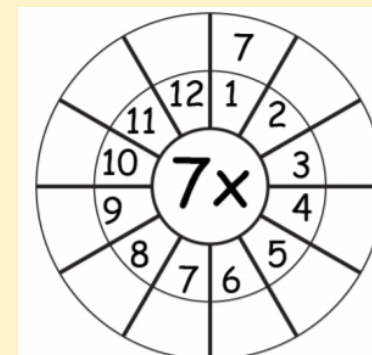

Use 'Math trainer multiplication' on Maths Is Fun to help increase the speed that you can recall each times table.

Use 'Jetstream Riders' on Manga High to practise your 3, 6 and 9 times tables.

Download this free app to play times table games. Focus on the 3s and 4s.

Can you complete this 7 times table wheel?

Multiplication Square

x	1	2	3	4	5	6	7	8	9	10	11	12
1	1	2	3	4	5	6	7	8	9	10	11	12
2	2	4	6	8	10	12	14	16	18	20	22	24
3	3	6	9	12	15	18	21	24	27	30	33	36
4	4	8	12	16	20	24	28	32	36	40	44	48
5	5	10	15	20	25	30	35	40	45	50	55	60
6	6	12	18	24	30	36	42	48	54	60	66	72
7	7	14	21	28	35	42	49	56	63	70	77	84
8	8	16	24	32	40	48	56	64	72	80	88	96
9	9	18	27	36	45	54	63	72	81	90	99	108
10	10	20	30	40	50	60	70	80	90	100	110	120
11	11	22	33	44	55	66	77	88	99	110	121	132
12	12	24	36	48	60	72	84	96	108	120	132	144
