Open Studios

Thank you to everyone who supported this event which has raised nearly £300 for arts in school

We will be celebrating 'Deaf Awareness Week'

from 6th to 12th May 2019. Children will learn about sign language and will take part in activities focusing on raising awareness and challenging perceptions of hearing loss and deafness.

Our wonderful dancers have been asked to perform at the **Costessey Fayre on Monday 27th May.**

We will be entertaining the crowds at **12.30 pm** and we hope to see you there. We will also be raising money to buy props and costumes for our productions and you can find us on our '**Lucky Squares**' stall.

Drop in the Ocean

If you have a particular interest in, or have a job related to this topic, e.g. the sea, oil rigs, wind farms or fishing industry, we would love to hear from you!

Please contact the School Office.

8 week focus - Evaluating and Editing Writing

We are really excited to introduce our next whole school focus which will be looking at evaluating and editing writing. This is an important step in the writing process as it gives children the chance to reflect on their writing, check they are meeting their goals and make their writing even better. All of our teachers have been learning about activities and challenges that can be used in class to help children evaluate their work, give them the confidence to make changes and spot opportunities for editing. Look out for our Excellent Evaluators as we celebrate the children's work in school and in the newsletter! We hope that this focus will give the children a love of evaluating and editing, making it an exciting part of writing.

**We have a vacancy for
an MSA
12 - 1pm**

**If you are interested,
please contact Debra
Fraser in the
school office.**

Sun Safety

Please ensure your child has a named sun hat and water bottle daily. Sun cream should ideally be administered before school. Any sun cream should be labelled with your child's name and handed to the class teacher to store. Your child should be taught how to apply it themselves and mustn't offer their cream to anyone else due to allergies.

Thank you.

David Bloomfield Fund Raising

Back in 2014 I was diagnosed with brain cancer, I was told it would be removed then would be back at work in 3 months.

What was meant to be a routine operation turned into a 12 hour ordeal, especially for my wife who was 8 months pregnant. The operation left me heavily disabled and I was even told I'd never walk again. As I laid in my hospital bed, I thought, 'I'll prove them wrong.'

I had to retire from all work and couldn't drive but through the love and support of my family, I did walk again, fathered another child and even went to a Wrestlemania 35 in New York.

Now I want to leave a legacy, especially for my kids. My plan is to raise funds for schools to play and educate themselves with Lego.

Lego was instrumental in helping my recovery and I want others to experience the joy and freedom of Lego.

So I hope to implement Lego in schools.

Simple!!

Travelling Book Fair

Date: 13th May - 17th May

Time: 3:00pm-3:30pm

Location: Our school topic corridor at the
Fieldfare Way Entrance

ALL BOOKS 3 FOR 2

Free books for school when you buy books.

On Friday 26th February, some pupils went to Stage Two, Norwich Theatre Royal to see a performance of the opera 'Paradise Planet'. The children had a fantastic time and loved joining it with the songs.
Thank you @etopera !
