

Year 2 Autumn Term 2 2019

English

This half-term we will be continuing daily Read Write Inc. lessons to help every child gain confidence in reading and writing.

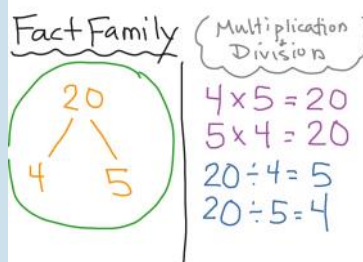

During reading lessons, we will be reading the story of 'Beegu'. We will explore and discuss the characters' feelings throughout the story and improve our retrieval skills by answering comprehension questions.

Maths

We will be learning different ways to divide numbers as well as identify fact families.

Also, we will be exploring a variety of measurements including weighing in grams, reading a temperature scale and measuring length in cm.

Finally towards the end of term, Year 2 will be using their knowledge of money to compare different amounts.

Key Vocabulary:

Habitats, plants, animals, fair testing, astronaut, space.

Divide, multiply, group, grams, measure, centimetres, penny, pound, more, less, odd, even, degrees, scales.

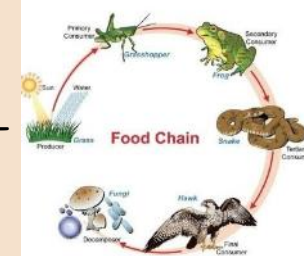

Topic

This term, we are going to be comparing Tim Peake's and Neil Armstrong's journeys to space. It will be interesting to look at how their space food and equipment differs.

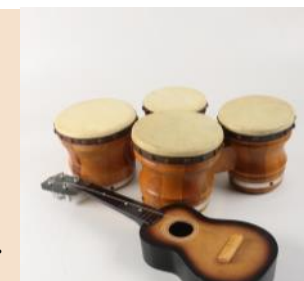

Science

We will be learning to identify a range of plants, as well as exploring the different habitats that animals and plants live in. This will lead us onto learning about food chains.

Music

Depending on which class they are in, children will be experiencing Ukulele or Samba Drumming music lessons this term. Children will be improving their rhythm skills.

Sports

This term we are going to be working on our agility through jumping and landing safely. We will also be focusing on static balancing.

RE / RSE

We will be exploring Christianity in RE this term. We will be looking at the Christmas Story and why it is so important to Christians.
