Road Markings – Yellow Lines

We have been informed this morning that the Council have agreed for the Highways Agency to paint yellow road markings around the school. These road markings are being painted on ***today***. These road markings are legally enforceable ***as soon as they are painted***.

Double yellow lines means that you cannot park your car at any time.

We have been informed that the Road Traffic Officer for the area will be vigilant and will be enforcing these new markings diligently.

The school has received several complaints from parents about parking around the school since September and we are delighted that we have been able to work with the Council to resolve the issue. We would like to remind parents that parking on the pavements poses a health and safety risk to both children and adults. We ask all parents to ensure that they park safely and legally.

Regards

Mrs P Sheppard
