

Maths in EYFS!

Counting and Ordering

Your child should be able to count reliably with and order numbers from 1 to 20.

Addition and Subtraction

Use quantities and objects, add and subtract two single-digit numbers, for example: $3+2=5$, $4-1=3$.

Multiplication and Division

Double, halve and share objects.

4 sweets shared between 2 people

$$\frac{1}{2}$$

half

Find 1 more or 1 less than a given number.

Why not use some of these as a starting point for Marvellous Maths Home Learning?

Space and Measure

Use everyday language to talk about size, weight, time, capacity and distance to compare quantities & objects & solve problems.

Bigger than
Smaller than

Fastest, Slowest, Faster than, Slower than....

Heavier
Lighter

Shape

Explore characteristics of everyday objects and shapes and use mathematical language to describe them.

Patterns

Your child should be able to recognise, create and describe patterns by the end of the year.
