Read Aloud Day

EVERY child will read aloud or share a story on this day at Queen's Hill Primary School. To make this happen we need volunteers to help out at anytime throughout the day on Wednesday 4th March 2020. If you can help for an hour or more please contact or go to the school office to sign-up to help make this event possible. Thank You!

Safety Awareness Day

This term our children are learning about how to be safe. We've recently hosted assemblies on road safety, and Norfolk Fire and Rescue are joining us to talk about fire safety. All children will be exploring online safety as part of our curriculum day this Friday (7th February). Please ask your child about what they have learned.

Nursery at Queen's Hill Primary School Sept 2020

This year the school have piloted 30 hours funded places in the Nursery. The governors have reviewed this provision and after much discussion have decided that we are unable to continue in September 2020, due to the amount of money needed from the main school budget to subsidise the running costs. The school will continue to provide 15 hours funded places.

Rachel Howard—Governor

PE festivals this month have included KS1 gymnastics and KS1 sportshall athletics. Next month sees more KS2 events and the dance show. KS1 children were excited to have a karate taster session this month and KS2 are excited about their upcoming session. Don't forget to complete the koboca survey (information is on facebook and was sent by text) in order to help us improve the PE provision at Queen's Hill.

PARKING

We continue to get complaints from local residents and parents about parking issues around the school.

PLEASE DRIVE WITH CAUTION AND PARK RESPECTFULLY.

We have had a number of occasions where parents/carers have parked on yellow lines or have caused an obstruction. Far better to arrive late to school than cause another child to NEVER arrive.
