

1. Check in

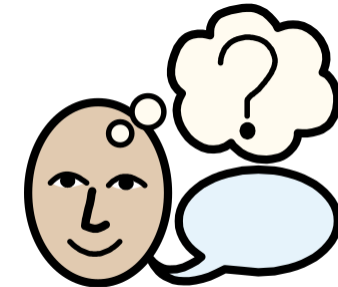

How am I
feeling?

2. Preposition game

Adult to place an object
like a teddy bear
on/under/next to/in
front/behind/between a
table or chair. Child to
say where the teddy is.
Then swap and give child
an instruction to place
teddy somewhere

3. Guessing game

Adult to describe a place
(museum, school, library,...)and
the child has to guess what it is.
"This place is full of children.
They learn things".
After two sentences, the child
can guess. If they have no idea,
the adult can describe more (one
or two sentences). Once the child
has guessed the answer, he or
she can have a turn
