Dear Parent/Carer of Reception and Year 1 pupils **not currently in school**,

The government changed its guidance last week to ensure that as many pupils can return to school if they are able to.

With that guidance in mind, please can you confirm by **Friday 26th June** whether you will be taking up your child's place. **If we do not hear from you then we will assume that you are not taking up the offer before the end of term.** This will allow us to possibly restructure the current pods with transition in mind and potentially allow some other year groups to return to school. After Friday 26th June you will not be able to resend your child to school until September.

Online home learning activities will continue to the end of term.

We still are not sure about what will be happening in September, as soon as we do we will let you know!

In the meantime, take care and keep safe.

Mrs Sheppard
Head Teacher
