## Physical development- keeping fit and strong

1. Can you do your own 'Big Toddle' home safari? Read more about it here: <https://www.barnardos.org.uk/bigtoddle>
2. Practise your scissor skills and cut up jelly cubes to make some delicious jelly. Set some objects in the jelly e.g. plastic toys, jelly beans or pieces of fruit. How could you get the objects out of the jelly without touching the jelly with your hands? If you'd prefer not to use jelly, try custard, yoghurt, ice etc. Which tools could you use to help you?
