Dear Parent/Carer

During the school holiday please can we ask that you follow all the national guidance, we have included some helpful bullet points and web addresses below. It is by everyone taking individual responsibility to follow this guidance, that we can together manage a safe and secure return to education in the new year.

- If your child is unable to start the new term because of COVID-19 or any other illness please let us know in the normal way. School reopens 4th January 2021
- If your child lives in the same household as someone with coronavirus, your child must stay at home for 14 days from the first day the person with coronavirus had symptoms or had their test.
- If your child develops symptoms of coronavirus (COVID-19) they should remain at home for at least 10 days from the date when their symptoms appeared (or from the date they received a positive test result).
