

Welcome to Les Papillons Verts

We are looking forward to you starting Reception.
Come and have a look inside your class!
Here are some activities for you to do over the summer.

Make a mud pie.

This is where we go to the toilet and wash our hands.

Your teachers are **Mrs James** and **Mrs Suffield**.

Here is your classroom.

See if you can count up to 10

This is where you will play outside.

Practise writing your name.
Use pebbles or blocks to make the shape of the letters.

We love reading! Can you share some stories with your family at home?

This is where we sit for carpet time.
