

This week in Reception...

We are reading
Look up by
Nathan Bryon

You could watch it being read aloud on YouTube or find it in your local library.

Have a go at writing using the sounds that you know!
Perhaps you can write a story.

In maths, we are exploring finding half of a shape and amount. We will think about whether each shape has been halved equally.

Why not practise these maths skills at home by cutting shapes and objects in half. You could have a go at cutting pieces of food or playdough in half.

In other news...

- Please remember to arrive in your school uniform on Friday with your P.E kit in a bag.
- Remember to bring your sunhat, coat and water bottle to school everyday.
