	Number			Measure	Shape and Space	Number					Measure	
Summer	Growing											
	Number				Shape and Space	Measure	Review and preparation for Y1					

Notes:

- Mastering Number - taught as a separate 20-minute lesson to the above overview.
- Time - taught throughout the year with time monitors set up in every classroom.
- [Key Skills Progression Maps](#) – use to ensure all skills being taught and to look back to see previous taught knowledge.
