

Nursery News

Friday 30th September

This week we have been learning:

Shape of the week : Rectangle

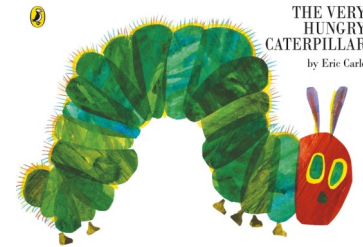

Number of the week: 3

- The life cycle of a caterpillar
- How to line items up and use our 'pointing finger' to count
- About mini beasts and where they live

Book of the week

Important Notices:

If your child wears a uniform to nursery, it is really helpful if jumpers/cardigans are labelled with names.

Please label water bottles, bags and coats if possible too.

Thank you :)

How to help your child at home:

- Can you go on a colour hunt? See if you can find something red, blue, yellow, green and orange.
- Can you listen out for different sounds during a walk?
- Encourage your child to put their coat on independently and show them how to do buttons/zips
