

## KS2 SATs at Queen's Hill Primary School

### What are SATs?

At the end of Year 6, children sit national tests in Spelling, punctuation and grammar (SPAG) Reading and Maths. These tests are both set and marked externally. Your child's marks will be used in conjunction with teacher assessment to give a broader picture of their attainment.

### Grammar, spelling and punctuation:

The SPAG test consists of two parts: a grammar and punctuation paper requiring short answers, lasting 45 minutes, and an aural spelling test of 20 words, lasting around 20 minutes.

**Reading:** The reading test is a single paper with questions based on three passages of text. Your child will have an hour, including reading time, to complete the test.

**Maths:** Children sit three papers in maths: Paper 1 (arithmetic, 30 minutes), Papers 2 and 3 (reasoning, 40 minutes each). Paper 1 consists of fixed response questions (children have to give correct answers to calculations). Papers 2 and 3 involve question types including multiple choice.

**KS2 SATs 2023 timetable:** The Year 6 KS2 SATs will be administered in the **week commencing 8th May 2023.**
