

This Week in Reception

w/c 13/03/23

Our Learning

- This week we have been learning about the city of London. We have looked at transport in and around London.
- We have been learning to use sign language to say how we are feeling.
- In maths we are working on reading and writing teen numbers.
- We have been learning about fire safety this week. We talked about what to do in the event of a fire and how to stay safe.

Coming Up...

We will be learning about space and air travel over the next couple of weeks.

News

- Please ensure that all of your child's uniform (including P.E kit) is named.
- We had a special visit from a Police Officer this week. We learnt all about the role of a police officer and even got to try on the uniform. We would like to say a big thank you to Jasmine's dad!

Home Learning Ideas

Maths - Write numbers 1-20 on pieces of paper and hide them around the house. Can you find all of the numbers and correctly order them from 1 to 20?

Literacy - Practise correctly forming letters using the sky writer to help.

<https://ictgames.com/mobilePage/skyWriter/index.html>

These ideas are completely optional but can be used as your Marvellous Maths or reading activity for the week.

Thank you,
The Reception Team
