## Year 2 / Summer 2

Welcome back to all of our Year 2 pupils and their families! We hope that you had an enjoyable break and we look forward to working with you over the coming half term.

*Last term Year 2 learnt all about the Titanic using historical artefacts. They also created their own dyed and printed fabrics.*

### Home Learning

In year 2 pupils are expected to read their school 'Book Bag Book' at least x4 times per week at home for 10 minutes. Please record and sign their reading diary for them so they can earn their **'Read for a Star.'**

The school has also subscribed to the online maths apps **Numbots** and **Times Tables Rock Stars**. These can be downloaded to any touch screen device at home. Your child's usernames and passwords for both of these apps can be found in the front of their diaries. Pupils are encouraged to complete x4 10 minute maths sessions at home per week. Please record this in their diaries for them so they can earn their **'Marvellous Maths'** awards.
