

# Curriculum Newsletter

Reception / Summer 2 2025

Welcome back to all of our reception pupils and their families! We hope that you had an enjoyable break and we look forward to working with you over the last half term of Reception!

*During the last half term, we learnt about plant life cycles, fairy tales and we went on our first school trip to Gressenhall.*

## Home Learning

We will be sending sound card packs specific to your child's phonics group. In addition to reading their books, it would be wonderful for children to know these confidently.

## Key dates

<b>Friday 20th June, 9:00am</b>	The Big Toddle (parents/carers welcome)
<b>Friday 27th June, 10:45 am 11:30-12:00 am</b>	Reception Show and share assemblies in classes (parents/carers welcome)  Teddy Bear Picnic (parents/carers welcome)
<b>Friday 4th July</b>	Water Fun Day
<b>Thursday 10th July</b>	Whole School Dental Screening  Friends Summer Fayre
<b>Tuesday 22nd July</b>	Last day of term

## “Exploring Nature and Under the sea”

This curriculum newsletter provides an overview of your child’s learning in reception for the summer 2 half term. We are concentrating on organising our belongings at the beginning and end of the day.

### Personal, Social and Emotional Development

#### To help with our development we will:

- ★ Know how to be safe at the seaside
- ★ Learn how to make goals for the future
- ★ Learn how to reach a compromise

### Communication and Language

#### To work on our speaking, listening, attention and understanding we will:

- ★ practice using the irregular past tense such as ‘went’

### Literacy

#### As writers we will:

- ★ Use a capital letter and full stop
- ★ Using the past tense
- ★ Re-read what we have written to check that it makes sense

#### As readers we will:

- ★ Engage with books and other reading materials at an increasingly deeper level.

### Physical Development

#### We will:

- ★ Practice using a range of small tools such as scissors, paintbrushes and cutlery.

### Understanding the World

#### We will:

- ★ Learn some similarities and differences between things in the past and now.
- ★ Make observations of animals and plants and explain why some things occur, and talk about changes.

### Maths

#### As mathematicians we will be:

- ★ Learning and comparing shapes
- ★ Money within 20p
- ★ Learning about time

### Expressive Arts and Design

#### As artists and designers we will:

- ★ Use recycled materials to create pieces, making decisions about which materials best fit the design

### Other

#### As computer scientists we will:

- ★ Develop digital literacy skills by being able to access, understand and interact with a range of technologies.

#### To care of ourselves and others we will learn about:

- ★ Preparing ourselves for the transition to Year 1
